Past Events

Virtual 12th Night was this last Saturday. It was an interesting process, and the different salons allowed for a lot of options for visiting.

Upcoming Events

Talked about possibility of combining all our Championship tournaments. This would cut our number of events from five a year to 2-3 a year, which will make a big impact on our volunteers. That would mean for this year all the championships would be held at Archery Fest. Archery Fest would be in the same area as usual, the rest of the event would be in the area with the amphitheater. Dana would remain in charge of all of the Archery events, with another event steward in charge overall. This would be our Arts & Sciences, Heavy, Rapier, Bardic and Archery Championships, held on September 17-19, 2021. Fiona will steward.

One further change-would like to allow the current champion to be able to defend their championship, revert to officers setting up the tournament rather than the champion.

There was a lot of discussion regarding possible changes to the Sergeantry Trials.

Yule-Lucia would like to return to having our own Yule, rather than continuing with the combined Inlands Yule. Many present agreed. Consensus: approach other Baronies and see if they would be comfortable with splitting it up again. Further discussion tabled until next month. Iona volunteered to steward if we revert to our own Yule.

May Crown-not rolling our bid over for 2022
